

The Paraflex wall mounted parasol is amazingly versatile and practical – providing the ideal parasol solution for balconies, terraces and small city gardens.

Lightweight, easy to install and easy to operate – the Paraflex wall mounted parasol features an aluminium, adjustable arm with tilt head parasol for the most flexible shade solution available.

A space-saving umbrella, without a base and without a pole, which offers you the possibility to create shade wherever you want it, by means of one, two or more umbrellas, according to your needs.

The light and compact Paraflex offers maximum shade and flexibility.
